

YRDUMMen Presidents & Treasurers,

On behalf of the York River District United Methodist Men's Executive Cabinet I want to thank you for your financial support of the General Commission on UMMen. Your Annual Charter financial support will help to ensure the ability to reach out to men that do not know the Word of Christ and help promote the spiritual growth of men that do.

Your York River District UMMen also aims to bring men to know Christ and help those that do, to move further along their Faith journey. We have no formal fund raising activities to raise the financial support needed to accomplish our mission goals. That is why it is vital to our success that we receive your district support of seventy five dollars annually.

Many fellowships will this year make their financial sacrifice to both the General Commission UMMen and the York River District UMMen. Besides our deep appreciation, when you make your district support payment you will receive a **100% Support** certificate from your York River District Executive Officers that you can hang proudly beside your Charter certificate. Like the Charter, your new 100% Support certificate is a quadrennial certificate spanning 2017 thru 2020. Each year when you give your support to both you will receive a sticker to place on your certificate that coincides with your GCUMM charter. By giving to your York River District UMMen, twenty five dollars of your financial sacrifice will go directly to your Va. Conference UMMen.

Enclosed with this letter you will find a York River District UMMen 100% support form. I ask you and your fellowship to prayerfully consider making this seventy five dollar financial sacrifice by filling out and mailing this form along with your check to our Treasurer Roy Tucker. 453 Strother Dr, Hampton, VA 23666

We know you will be as proud to be receiving this new certificate as we will be to present it to you.

God Bless You All,
YRDUMMen
